Exam 1 Part 2

Problem 1

A screenshot of a Windows PowerShell terminal window. The title bar at the top shows a blue icon with a white prompt character, followed by the text "Windows PowerShell", and standard window control buttons (close, maximize, and a dropdown arrow). The terminal content shows a PowerShell prompt "PS C:\Users\Valued Customer\OneDr" followed by the text "My initials are: E. M. E." and another PowerShell prompt "PS C:\Users\Valued Customer\OneDr".

```
PS C:\Users\Valued Customer\OneDr
My initials are: E. M. E.
PS C:\Users\Valued Customer\OneDr
```
